

Reading Museum - Windrush Day

ACTIVITY CART *Balancing Parrot 1*

1. Colour in your parrot
2. Cut your parrot out carefully
3. Stick it to some card if you have it, or use a cereal box or similar
4. Now try and balance your parrot by putting his feet on a pencil and sticking something to the end of his tail to balance him up right

Have a look at our examples on the website, we used bluetac to weight the tail
